## *SU-PER<sup>®</sup> Glycerine*

### *A Topical Sweating Agent and Emollient!*

**Can be used in poultices and sweats to remove fluids from inflamed areas.**

*SU-PER<sup>®</sup> Glycerine* is a pure, vegetable based glycerine, with many purposes around the barn area.

*SU-PER<sup>®</sup> Glycerine* has drawing properties that can help to remove fluids from inflamed and swollen areas, which makes it a very popular additive to basic poultices and leg gels.

It's most commonly used as a topical sweating agent that can be applied directly from the bottle after competition to draw and soothe. It is also a popular pre-show neck sweat as it can be quickly diluted with water and applied under a neoprene wrap for fast results.

*SU-PER<sup>®</sup> Glycerine* can also be used to moisturize and soften dry skin, remove rundown patches, soothe burns or skin irritations, and even to condition leather. You'll find many uses for *SU-PER<sup>®</sup> Glycerine*!
