SU-PER® OmegaBOOST

The Proper Blend of Omega 3 and Omega 6 Fatty Acids!

SU-PER® OmegaBOOST is a high-quality fish oil specially formulated with flavors and aromas that help mask the fishy smell and taste. It is designed to provide a premium source of Omega 3 Fatty Acids, delivering the natural benefits of EPA and DHA found in fish oil.

Key Benefits

- Supports healthy skin and coat with a rich source of Omega 3 Fatty Acids.
- Provides EPA and DHA from fish oil to support overall health and performance.
 - Helps maintain a proper Omega 3 to Omega 6 ratio, which is essential for optimal body function.
 - Supports healthy cell membranes, immune function, organ systems, and the body's natural inflammatory response.
- Provides essential fatty acids that support hormone production, oxygen transport, And normal body processes.
- Helps address common Omega 3 deficiencies found in modern equine diets high in hay, grains, concentrates, or aged forage.
 - Supports horses by helping maximize overall health and athletic potential.

Key Ingredients & Their Functions

Fish Oil (Source of Omega 3 Fatty Acids)

- Provides naturally occurring EPA and DHA, two important Omega 3 Fatty Acids.
- Supplies a more concentrated source of Omega 3's compared to many plant-based sources, such as flax seed.
- Helps support a proper Omega 3 to Omega 6 ratio within the body.

Essential Fatty Acids (EFA's)

- Essential components of the membranes surrounding every cell and organ in the body.
- Required for optimal immune function, organ systems, smooth muscle activity, and inflammatory responses.
 - Play an important role in maintaining overall health and normal body processes.

Note: Most horses readily consume **SU-PER® OmegaBOOST** once they become accustomed to the taste. A small number of picky eaters may have difficulty accepting the taste. If your horse will not consume **SU-PER® OmegaBOOST**, we offer a money-back guarantee and will provide a refund or exchange.

Recommended Use

- Add **SU-PER® OmegaBOOST** to your horse's daily feeding program as an Omega 3 supplement.
- Ideal for horses receiving diets high in hay, grains, concentrates, or dried/aged forage where Omega 3 supplementation may be needed.
- Suitable for horses needing additional support for skin, coat, overall health, and performance.

LIQUID

1 gallon - 38 servings

Rich in Omega Fatty Acids to support a healthy skin and coat!

AMOUNT TO FEED: Feed 1 ounce for each 300 pounds of body weight. A smaller amount may be fed as long as you are getting the desired results.

GRADUALLY INCREASE DOSAGE: Begin by feeding 1 ounce on the first day. Increase by 1 ounce each day until recommended amount is reached. If the horse missed supplementation for more than 2 consecutive days, begin by gradually increasing the amount as described above.

For Equine Use Only.
