SU-PER[®] suBstitUTE

Supports Normal Joint Mobility!

Recommended to support and maintain healthy joint function.

SU-PER suBstitUTE is a proprietary blend of natural herbal extracts designed to provide complete, drug-free anti-inflammatory support for joint health.

Key Ingredients

- **Devil's Claw** - Supports normal inflammatory response, promote joint comfort.
- **MSM (MethylSulfonylMethane)** - Assists in maintaining joint tissue health and flexibility.
 - **Yucca Extract** - Known for its natural anti-inflammatory properties.
 - **Willow Bark (Salix Alba)** - Provides natural pain-relief support.
- **Grape Seed Extract** - Support proper circulation and antioxidant protection for joint issues.

Why choose *SU-PER suBstitUTE* over BUTE (Phenylbutazone)?

Bute is an effective anti-inflammatory and analgesic but has known risks:

- May contribute to gastric ulcers and intestinal issues.
- Can interfere with normal joint repair, prolonging joint problems.

SU-PER suBstitUTE offer a natural alternative without these negative side effects.

Suitable for performance horses and those under stress from injury or illness.

Benefits

- Natural, drug-free support for healthy joint mobility.
 - Helps relieve stiffness and discomfort.
- Promotes circulation and supports normal joint repair processes.
 - Safe for long-term use in most horses.
